

# HOUSE BILL No. 1339

---

## DIGEST OF INTRODUCED BILL

**Citations Affected:** None (noncode).

**Synopsis:** Interstate 94 transportation corridor study. Requires the Indiana department of transportation to study the I-94 transportation corridor between LaPorte County and Porter County and to study the feasibility of adding an interchange at County Line Road between LaPorte County and Porter County. Provides that the studies may be part of the department's statewide interchange justification study. Requires the Indiana department of transportation to prepare an annual report for the governor and the legislative council until the studies are completed.

**Effective:** July 1, 2001.

First Regular Session 112th General Assembly (2001)

PRINTING CODE. Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in **this style type**, and deletions will appear in ~~this style type~~.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in **this style type**. Also, the word **NEW** will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in *this style type* or ~~this style type~~ reconciles conflicts between statutes enacted by the 2000 General Assembly.

## HOUSE BILL No. 1339

A BILL FOR AN ACT concerning transportation.

*Be it enacted by the General Assembly of the State of Indiana:*

1       SECTION 1. [EFFECTIVE JULY 1, 2001] (a) The Indiana  
2       department of transportation shall immediately undertake the  
3       following regarding the Interstate 94 transportation corridor  
4       between LaPorte County and Porter County:

5               (1) A study regarding possible improvements that can be  
6               made to the Interstate 94 transportation corridor in LaPorte  
7               County and Porter County.

8               (2) An interchange justification study to determine the  
9               feasibility of adding an interchange on Interstate 94 at the  
10              point where it intersects County Line Road between LaPorte  
11              County and Porter County.

12       (b) The Indiana department of transportation shall prepare an  
13       annual report on the matters described in subsection (a) for  
14       presentation to the governor and the legislative council until the  
15       completion of the studies of the Interstate 94 transportation  
16       corridor between LaPorte County and Porter County.

17       (c) The Indiana department of transportation may include the  
18       studies required by subsection (a) as part of the department's
